

Who We Are

California Art Auction is a service of John Moran Auctioneers, Inc, based in Pasadena, California. Since 1969, we have set the benchmark for service and market-driven results for our clients.

We have presented over 400 successful auctions over the past 48 years with over \$300 million dollars in sales.

Clients from around the country come to Monrovia, CA to attend our auctions of California & American Paintings, held three times a year. We catalogue and sell 200-250 paintings per sale and routinely set new auction records for artists. In 2001, we were the first auction house to sell a work by a California artist for over the \$1 million mark, an event that received national attention.

California & American Art is not our only passion: We offer complete estate services also. With our monthly Estate Auctions, you'll find only the best silver, rugs, European artwork, jewelry, furniture, pottery & porcelain, art glass and high-quality accessories up for sale. These auctions feature over 400 lots per event and are very popular. Can't join us in person? Ask to be added to our estate auction email notification to pre-view the sale online at www.johnmoran.com.
